MEMBERS UPDATE

New GOABC Office

After many years weighing the pros and cons GOABC now has a permanent location! The Board of Directors approved the purchase of a new office building in the Campbell Heights area of South Surrey (unit 103, 19140 – 28th Ave). We hope to be in our new location in January 2009. We will be requesting big-game mounts to help decorate our new office.

Membership

The GOABC Constitution and Bylaws defines membership and active members. Members that owe funds to the association are not considered active or "**in good standing**". This prevents participation in any association marketing or voting activities. After 60 days, the Board may suspend the membership to those that have not fulfilled their financial obligations to the association.
